Chapters

Page No

Access modifiers in Java
Encapsulation

10.

Java arrays

single dimensional array
multidimensional array
cloning an array

61-65

11.

Object and Math class

Methods of object class

Object cloning

Java math class

Basic math methods

Logarithmic Math methods

Trigonometric Math methods

Wrapper class

Autoboxing & unboxing

66-76

12.

Recursion

What is recursion?

call by value in java.

77-78

13.

Java String

Introduction

String class methods

Java StringBuffer class

Java StringBuilder class

Java toString()

String Tokenizer

79-86

Sl. No	chapters	Page No
14.	Exception handling & multithreading Multithreading Life cycle of Thread Thread exceptions Inter thread communication Deadlock Error and d Exceptions Built in Exceptions Throwing own exceptions	87-96
15.	Stream and File Introduction to streams stream class stream methods File class FileInput Stream FileOutput Stream	97-102
	*** End ***
